Art Deco made in Italy

may mOma collection finds its inspiration in the aesthetic manifestation of the Art Deco, reinterpreted in a deeply contemporary way.

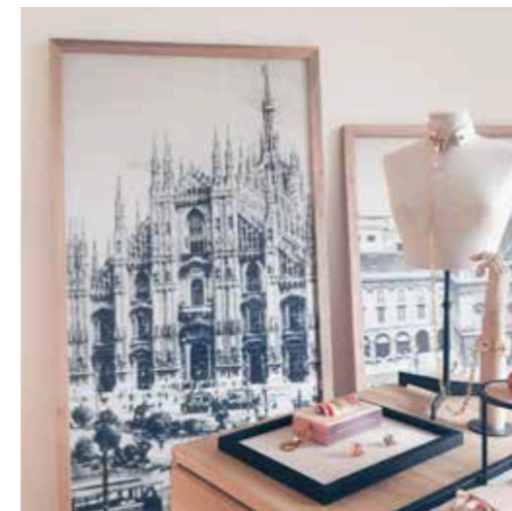

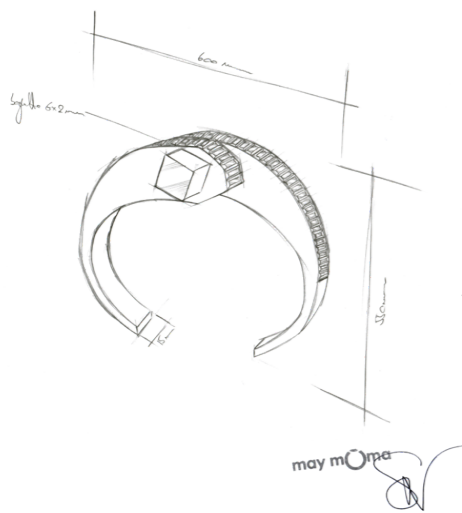

Each piece of the collection is entirely handmade in Italy where expert crafts- men pass on their experience and expertise from generation to generation.

Immersed and inspired by the glamour of Milan, capital of the Italian style, Simona Nicolosi launched her first collection in September 2013.

May mOma has now loyal retailers like Kadewe and Joyce, online retailers such as Yoox and Luisa via Roma, and tens of boutiques in the most important capitals of the world, united by the passion for the authentic "made in Italy".
