

Homi Fashion & Jewels: The glamorous hub for jewelry and fashion

HOMI FASHION&JEWELS Exhibition (HF&J) returns at **Fieramilano** (Rho) in Milan, from 15th to 18th September, 2023. This trade show is dedicated to costume jewelry, fine jewelry and fashion accessories. Other important trade shows are partially concurrent such as MICAM, the International footwear trade fair, MIPEL, the International exhibition dedicated to leather goods and fashion accessories and TheOneMilano, the Outerwear and Haute à-Porter Trade Show.

From 19th to 21st September, **Fieramilano** Rho will also host three other events: LINEAPELLE, the international trade fair dedicated to the leather, accessories, components, synthetics, fabrics and models for the footwear, leather goods, clothing and furniture sectors, MIPEL Lab and Simac Tanning Tech, the international trade show of machinery and technology for the footwear, leather goods and tanning industries. All these trade shows will bring together a total of 3,500 brands, an increase of around 10% compared to 2022 datas. Exhibitors worldwide are coming to Milan and will be waiting for you at the stands to provide you with professional information. Over 45,000 international buyers are expected to visit the eight trade fairs. More than 500 brands will exhibit at HF&J with 35% of them coming from abroad. A very rich proposal that will be structured in two macro areas, JEWELS and FASHION. There will also be the opportunity to visit a new space dedicated to Contemporary Jewels, a novelty of this edition.

The **FASHION** area will feature Fashion Accessories with original proposals and combinations. **HF&J** will also host a special area of **Si Sposaitalia Collezioni**, the Milanese event showcasing wedding dresses, suits, formal attire and accessories that will take place in Milan from 5 to 8 April 2024. On Sunday 17 September at noon, at the Fashion Hub, Hall 10, all the wedding dresses will be on display, adorned with the jewelry and accessories showcased at the Homi Fashion & Jewels Exhibition. **HF&J** is also a hub for discovering **future trends**: behind every creation lies the imaginative and visionary mind of the designer responsible for its inception. Thanks to the collaboration with **Poli Design**, **HF&J** will present the **#Visionaries** exhibition that pays homage to those visionaries who interpret the season's must-haves with innovative proposals in terms of materials, shapes, styles and colours.
